Burnley's community charity — bringing people together and making Christmas magical

Who We Are

The Fun Girls Club is a grassroots community charity based right here in Burnley. We bring people together through fun, inclusive events (watch parties, music evenings, craft afternoons, and more) and use every penny of profit to buy Christmas gifts for children in need and for individuals spending the festive season alone in hospital.

We are community focused, completely transparent about how we use our funds, and genuinely passionate about making Burnley a warmer, more connected place to live. Everything we do comes back to one simple belief, that great times and greater purpose belong together.

Great Times. Greater Purpose.

What We Do

Our Events

The Fun Girls Club hosts three types (this might increase depending on the success of The Fun Girls Club) of community events throughout the year:

- The Craft Club - relaxed, inclusive craft afternoons where attendees make something brilliant together
- The Groove Club - themed music and dance evenings with singalongs, playlists, and great atmosphere
- The Popcorn Club - themed watch parties with matching food, decorations, and community voting on what we screen

Our events are free or low cost to attend, because we believe everyone in Burnley deserves a great night out. That means we rely on the generosity of local businesses to help us make them happen.

Operation Christmas Magic

Every event we run feeds directly into Operation Christmas Magic, our annual Christmas gift project. Through a network of trusted referral partners including food banks, schools, and

health visitors, we identify children in need and individuals spending Christmas alone in hospital, and we buy every single one of them a gift.

Our first Christmas gift drop is planned for December 2027. Every event between now and then is building toward that moment, and every sponsor who supports us is part of making it happen.

100% of event profits go directly into the Christmas Gift Fund

Why Sponsor The Fun Girls Club?

Sponsoring The Fun Girls Club gives your business genuine, meaningful visibility in the Burnley community, with the added benefit of being publicly associated with something that is doing real good for real people.

- Your audience is local - our community is Burnley and the surrounding area, exactly the people you want to reach
- Your support is visible - we credit sponsors across social media, our website, and all printed materials
- Your association is positive - being linked to a charity making Christmas magical for children in need is powerful PR
- Your contribution is tangible - you can see exactly what your sponsorship makes possible
- Your involvement is flexible - we welcome financial and in-kind support, big and small

In-Kind Sponsorship

In-kind donations are just as valuable to us as financial contributions. Things that make a real difference include:

- Venue hire - free or discounted use of your space for an event
- Food and drink - refreshments for event attendees
- Printing - posters, flyers, and event materials
- Decorations and craft supplies
- Raffle prizes and giveaways
- Equipment - projectors, screens, sound systems

If you can offer something not on this list we would still love to hear from you. Every contribution counts.

The Impact of Your Support

Here is what your sponsorship makes possible:

- A sponsored venue means an event can run at zero cost, putting more money directly into the Christmas Gift Fund
- Sponsored food and drink means attendees have a better experience and are more likely to donate on the night
- Sponsored printing means our events look professional and our story reaches more people
- Every £25 raised funds means one child in need will get a present for Christmas
- Every event we run is one step closer to our December 2027 gift drop

Every sponsor is part of Operation Christmas Magic

What We Ask of Our Sponsors

We believe sponsorship should be a genuine partnership. In return for your support we ask only that:

- You allow us to credit you publicly across our social media, website, and printed materials
- You let us know if your logo or branding changes so we can keep our materials up to date
- You tell your own customers and community about your support, the more people who know about The Fun Girls Club the better

That is it. No complicated contracts, no hidden obligations, just a simple, genuine partnership between a local business and a local charity.
